MEMORANDUM FOR THE RECORD

SUBJECT: Insurance History Project

STATINTL

1. In the course of a discussion with the SSHO [REDACTED] this afternoon, he inquired as to what progress was being made on the Insurance history project. I agreed to check and give a push if necessary.

Jack:

This is BSD's rewrite of the History Project on the Insurance Branch for your review.

It covers the history of Agency insurance programs in considerable detail.

Perhaps this covers too limited an area to be of general interest and should be treated as a highlight reference in the overall project.

What do you think?
